Let's work together to prevent suicide!  
Join the Canadian Association for  
Suicide Prevention and others  
throughout the world as we recognize  
World Suicide Prevention Day on  
September 10, 2018. Here are simple  
ways to get involved:

Light a candle at 8p to shine  
light in the darkness. The  
candles represent everyone  
who has been impacted by  
suicide.

Wear a ribbon to show others  
that you support suicide  
prevention. Find out how to  
order ribbons here:

Plan or attend an event in  
your community. Visit our  
website to learn more about  
events throughout Canada:
